

**SUMMARY OF FLUXGATE COMPONENTS**

November 2009

| Component  | Pitch & Roll Compensation | Typical Use  | Used in other Autonnic Products           |
|--|---------------------------|--|---|
| AR20<br>    | ±20°                      | Hand-bearing Compass   |   |
| AR35<br>    | ±35°                      | Autopilot<br>Marine Compass<br>Sonarbuoy                       | A4020<br>A4071<br>A4081                   |
| AR45<br>  | ±45°                      | Autopilot<br>Marine Compass                                    | A4020<br>A4025<br>A4072<br>A4082<br>A5020 |
| A1501<br> | ±35°                      | Autopilot<br>Compact Marine Compass<br>Military                |   |
| A1015<br> | 0°                        | Wind Direction<br>Precision Magnetometer<br>Encoder<br>Compass | A4051<br>A4047<br>A4067<br>A5012          |
| A1017<br> | 0°                        | Encoder<br>Compact Compass                                     | A4041<br>A4061<br>A3302                   |
